What to Bring/Wear to Camp

Please send your child with the following every day (**clearly marked** with their name in waterproof marker):

- Backpack
- Sunscreen / bug repellant
- **Reusable water bottle**
- Sneakers (*please, no open-toed shoes or sandals — our program is very active and do not want your child's feet/ankles hurt! Crocs are allowed*)
- Comfortable clothing
- Bathing suit and towel
- Water shoes (we swim where there are oysters, rocks, and crabs—which runs the risk of feet getting cut)

For rainy weather, please send your child to camp with a raincoat and rain boots. For chilly weather, sweatshirts, windbreakers, and long pants are suggested.

Camper Code of Conduct

All campers are required to be members of the Boys & Girls Clubs of Newport County. All members are required to sign the Member Code of Conduct which outlines member/camper behavior expectations and consequences for not following the Code of Conduct.

Camp Rules:

1. Keep, hands, feet and objects to yourself. Unwanted physical contact of any type is not permitted at camp report any incident to the nearest counselor.
2. Sticks, stones, leaves, and any other natural material must stay on the ground unless part of a program
3. Use kind and appropriate language.
4. Cell phone use is advised against at camp. We encourage members to enjoy the many features of camp and the presence of others.
5. Leave all animals, insects, sea-life, etc. at camp.
6. Show respect for others at all times.
7. Stay with your group at all times, stay on the paths, and never wander off by yourself or leave property.

BOYS & GIRLS CLUBS OF NEWPORT COUNTY

8. Listen to counselors/follow directions.
9. Be on time — for lunch, group lines and assemblies.
10. Help keep Camp clean — use the designated trash barrels.
11. Play safely and fairly.

Anti-Bullying:

- Children are entitled to a positive camp experience, therefore, Camp Grosvenor cannot serve children who display chronic disruptive behavior.
- Such behavior is defined as physical or verbal bullying that may involve but is not limited to behavior that:

- Inflicts physical or emotional harm on other children,
- Abuses the staff, and/or ignores or disobeys the rules that guide behavior during the day at Camp.

• *Discipline Policy:*

- Campers committing serious offenses including (but not limited to) bullying, fighting, vandalism of Camp/Club property, injury to another camper or staff, possession of alcohol/drugs or weapons, etc. will be subject to immediate suspension and/or possible expulsion from the camp program. Decisions will be at the discretion of the Camp Leadership team.

Weather

New England weather can be unpredictable. Please check the forecasts daily to determine the appropriate gear with which to send your child to camp that day. Rain, hot summer sun, and windy weather are all common during the summer in Rhode Island—please dress your child accordingly, in order that they can fully participate in all scheduled activities

Directions to Camp: Address 11 Miner Road, Saunderstown, RI 02874

From Newport: Take the Newport Pell Bridge and Jamestown Bridge (138 West). Take Route 1A Wickford/Narragansett Exit (first exit after the Jamestown Bridge). Right at the end of the ramp towards Narragansett onto 1A South (Boston Neck Road). Right onto Carroll Road after passing Casey Farm and Saunderstown Post Office. Right at intersection onto Miner Road. Miner Road turns into a dirt road. Follow dirt road through gate and travel approximately 1 mile down access road. Camp is at the end of the access road.

Emergency Closings/Changes

In the event of extreme weather or national/local emergency where we will need to close Camp Grosvenor either prior to opening for the day or during the program, the following procedures will be followed to notify parents:

Prior to Opening for the Day

A member of our Senior Staff will contact the Rhode Island Broadcasters Association. News of the closing will then be broadcast on all Rhode Island, Connecticut, and Massachusetts radio and television stations. Our website and phone system also will announce the closing.

Early Closure

In the event we need to close Camp Grosvenor early, the same procedure as listed above will be followed, plus, members of the Senior Staff will call all parents/guardians or emergency contacts to arrange pick-up times from the bus stops.

All closures/changes will be determined by the Executive Director of the Boys & Girls Clubs of Newport County.

Environmental Awareness

We strive to instill a strong sense of respect and appreciation for the outdoors and our environment at Camp Grosvenor. We ask that your child please respect Camp property by refraining from littering or other behavior that might be destructive to the environment.

Family Participation

We invite families to join us for one of our open houses before summer camp. These events are a great time to tour the property, meet our team, and prepare your child for camp!

For those campers participating in the Reading Program, the Reading teacher will host a family event toward the end of the summer to update you on your child's progress. Dates/times for both events will be available later this summer.

Fees/Payment Schedule

All campers are required to pay a \$25 deposit to ensure their slot is held.

All campers must be current members of the Boys & Girls Clubs of Newport County. Annual membership is \$30.

BOYS & GIRLS CLUBS OF NEWPORT COUNTY

Those eligible for DHS must provide their certificate number for billing purposes.

Payments must be made **2 weeks prior** to the enrolled session/s.

Field Trips

Permission slips will be distributed a week in advance of each field trip. Field trips are a privilege, not a right—those children who have not demonstrated acceptable adherence to Camp rules during regular day programs may risk not being invited to the field trips.

Food

We serve breakfast and lunch every day, however, we encourage sending your child with a additional food you may see fit to suit your child's dietary needs. We require sending your child with a reusable water bottle. We are a PEANUT FREE CAMP

Goals for your Child's Summer Camp Experience

Summer camp is a time for your child to explore his/her interests, as well as the outdoors. We strive to make your child's experience at camp both enriching and enjoyable. By the end of the summer, we hope that your child will have:

- Fostered a better appreciation of the outdoors and what it means to be a responsible steward of the environment.
- Developed a strong sense of teamwork and confidence in their abilities via a variety of sports, games, and friendly competition.
- Learned how to channel self-expression in new positive and creative ways.
- Continued their quest for knowledge and academic growth through a myriad of experiential learning opportunities.
- Confidence
- Life skills.
- Made new lifelong friends and had a great time!

Health Policies

We want all our campers to enjoy a healthy experience at camp. We ask that all children come to camp free of illness.

Allergies

Please make sure you have indicated any food, insect, medication, or any other allergies on your child's health history. If your child is allergic to insect stings, please send them to camp with their epi-pen which we will keep locked up, but will be accessible if the need arises.

Emergency Treatment for Serious Injury/Illness while at Camp

For serious injuries that require professional medical attention, we will make every effort to contact you while contacting 911. If we cannot reach you, we will try to reach those listed as emergency contacts on your child's application and release forms. In the event that no one can be reached, we will default to the "permission to treat" release that you signed. Again, every effort will be made to reach you first.

First Aid/CPR

All our staff are certified in First Aid/CPR/AED. Each group and program area has a first aid kit on hand to treat minor injuries. Parents will be notified either in writing or by phone if your child is injured at camp. The camp also has a licensed pediatric physician with whom they consult for any moderate to serious injuries/illnesses.

Health History Review

A member of the Senior Staff will review all campers' Health Histories within the first 24 hours of the camper's first day of attendance to note any allergies, medications, or other noted concerns. Please ensure that you have indicated any health concerns/issues of which you would like the staff to be made aware of.

Illness at Camp

Parents will need to arrange to pick up their child should they develop a fever/illness (including, but not limited to vomiting, diarrhea, or unidentified rash) while at camp, and will not be able to return until they are symptom free for at least 24 hours. Parents will be called immediately. For minor illness or headaches, we will call the parents to let them know how their child is feeling and make a determination with the parent as to whether the child should continue his/her day at camp.

Illness at Home

BOYS & GIRLS CLUBS OF NEWPORT COUNTY

Please keep all children with a fever of more than 100.4 degrees Fahrenheit at home. Children must be fever free for 24 hours before returning to the camp program. Also, any child experiencing vomiting and/or diarrhea must stay home that day, and again, must be free of symptoms for more than 24 hours before returning to the camp program.

Injury at Camp

Our campground covers more than 95 acres, and our programs require a great deal of physical activity and stamina. Injuries do sometimes occur, and we will contact you to let you know the nature of the injury. Please note we do not contact for all injuries. If your child is injured either at home or at camp to the extent that they cannot participate in the majority of programs, we ask that you keep them at home until they are injury-free.

Medications

Please notify the staff that your child requires medication while at camp. You must speak to a staff member and give the medication directly to the staff. All prescribed medication must be sent in its original container with instructions. All medications will be kept in a locked cabinet or locked refrigerator when not in use. For non-prescription medication, please contact the camp for policies and procedures.

We only will dispense Tylenol, Benadryl, and Tums with your permission and will contact you first unless otherwise specified on the health history form.

Rash

If your child has a rash, please have it checked out by a physician. Your child will need a doctor's note clearing him/her of any contagious rash before returning to the program.

The camp will be closed on Friday, July 25 for Professional Development

If you have any questions, comments, or suggestions prior to the end of camp, please contact the Camp Director, as he would love to hear any feedback.

Programs Offered/Risks Involved

We spend countless hours trying to create a fun and safe environment for your child. However, with a variety of different types of physical activities offered in a woodland and riverfront environment, there are inherent risks.

All programs and equipment go through rigorous safety inspections by certified professionals prior to each camp season and throughout the summer. All children participating in programs that require safety gear are provided such, and will not be allowed to participate unless they use them. By signing the application, you are acknowledging that you are familiar with the programs offered (either through reading the website, reading our brochure, and/or speaking with a staff member) and have given permission for your child to participate in such. If you have any questions regarding our programs, safety equipment, or the risks involved, please contact our Camp Director.

Reading Program

To prevent the "summer slide," all children ages 6 to 9 have a block of reading/experiential learning and a block of art scheduled every day. Our Reading & Art Program is run by certified teachers. Assessments will be administered at the beginning and end of the camp season to monitor your child's progress. We will host a family program at the end of the summer so that you can meet with our teachers hear about your child's progress first-hand.

Additionally, if you would like your child to be dropped off at a bus stop different from what is listed on his/her transportation agreement, you will need to provide a signed written note with your child outlining the change. Staff Recruitment/Training

We are an Equal Opportunity Employer. We begin recruiting our summer staff months in advance to ensure we employ the most qualified and friendliest counselors. Many of our staff are employed at the Boys & Girls Clubs of Newport, year round. We recruit staff that have skills that match the goals/outcomes that we set forth for all children attending camp. All applicants must go through a criminal background check and are checked against the National Sex Offender registry; have at least three references contacted that can verify their character and work-ethic; and are interviewed, in person, by one or more of our Senior Staff.

All staff hired participate in trainings prior to the summer season opening. Trainings include (but are not limited to) all health, transportation, operations, waterfront, program, and trip policies and procedures; child abuse awareness, diversity awareness, effective discipline and behavior management strategies; emergency procedures; teambuilding activities; First Aid/CPR certification; goals/outcomes for your child's experience; and, of course, how to ensure your child has a safe and enjoyable summer. We will conduct weekly meetings with staff to check in with how their summer is going. We host an all-staff meeting mid-summer for training/evaluative purposes. We conduct written evaluations on all staff twice per summer.

Transportation and Pick-up/Drop-off Policies/Procedures

We provide transportation for all campers as part of their weekly fee. However, transportation is a privilege and your child will be given the rules of riding the buses and vans on the first day of camp. Failure to follow the rules will result in loss of transportation privileges, and possibly suspension and/or expulsion from camp.

For those parents/guardians who regularly pick-up and drop off their camper directly at Camp, please note the following:

- You may not drop off your child any earlier than the assigned time in the morning
- You must pick up your child by the assigned time in the afternoon
- The camp is on a 1-mile narrow, unpaved, access road--please drive slowly and follow posted speed limits on road and adjacent neighborhood (15 mph on access road, 20 mph in neighborhood). There are some blind spots, so please drive slowly and be aware that there may be traffic traveling in the opposite direction.
- All parents/guardians must park in parking lot before main camp entrance (do not drive past the "Buses Only/Stop sign). Those adults dropping off must walk their child to greeting area in front of O'Connell Lodge (first building on the left) for check-in and meet their child there, as well, if picking them up in the afternoon before 4 pm.

Additionally, no camper will be allowed to be transported in personal vehicles of any staff member under any circumstances.

BOYS & GIRLS CLUBS OF NEWPORT COUNTY

Visitors

All visitors must check in at the Camp Office in O'Connell Lodge.

Volunteers

Volunteers are welcome at the camp to help out. However, all volunteers must have a criminal background check conducted, checked against the National Sex Offender Registry, and participate in our Volunteer Orientation prior to volunteering at the camp. Please contact the Camp Director for more information.

Those volunteers already in our system must contact the Camp Director to schedule hours.

Waiting List

Registration is on a first-come, first-served basis. Each week there are a limited number of slots for each age group based on staff:camper ratios. Parents can have their children placed on waiting lists for any weeks/age groups that have been filled. The Camp Director will contact families upon any openings made available. Payment for that week will be due immediately upon acceptance to hold the slot.

Waterfront Activities

Our camp enjoys a beautiful beach with docks on the Pettaquamscutt River. Our waterfront is guarded by certified Lifeguards and certified Water Safety Instructors. All campers who participate in our waterfront activities, including swimming and boating, will be tested for aptitude and assigned to a swimming/boating program appropriate for their individual skill set. No camper will be allowed in a boat without a life jacket (provided by the camp).

Camp Grosvenor Transportation Rules & Procedures

We are enclosing our rules and procedures for those campers who ride on any of our vehicles at any time. All children are oriented to the rules of riding in Club/Camp vehicles before their first trip and regularly throughout the season. Failure to follow these rules results in disciplinary action, which may include suspension or termination of transportation privileges and/or suspension/expulsion from the general camp program.

- Remain seated until vehicle has stopped and driver/staff has indicated it is okay to stand
